

Summer Engineering and Environmental Science Program

The Kylemore Global Centre

The Kylemore Abbey Global Centre is located in St. Joseph's Hall, a self-contained building adjacent to the main Abbey building. Kylemore is located in the picturesque Connemara region in County Galway, approximately 77km from Galway City. Connemara is known for its remarkable beauty, and there are many activities close by.

Céad míle fáilte roimh go léir

Kylemore Abbey

Kylemore Abbey's foundation stone was laid on September 4, 1867 by Margaret Vaughan Henry, the wife of Mitchell Henry. The estate had been bought and planned as an elaborate love token for Margaret and as a 'nesting place' for the growing Henry family. Although Mitchell Henry was born in Manchester, he proudly proclaimed that every drop of blood that ran in his veins was Irish. It was to Ireland that he brought Margaret on honeymoon in the mid-1840s and where they first saw the hunting lodge in the valley of Kylemore that would eventually become their magnificent home.

Day 2

Monday June 17th

9:00 AM Breakfast

10:00 AM Hike Sacred Heart

11:30 AM Opening Mass with Benedictine Community

1:00 PM Lunch at Kylemore

2:25 PM Tour of the Estate

Summer Engineering and Environmental Science Program

The Kylemore Global Centre

In 2015, the University of Notre Dame and the Benedictine Community at Kylemore Abbey formed a partnership which would further their shared spiritual, cultural, and educational missions. Since then, the Kylemore Abbey Global Centre has opened its doors to Notre Dame students, faculty and the wider community to play host as an inspirational place of pilgrimage where curious minds meet to engage in a diverse range of programs that offer opportunities for personal growth, spiritual reflection, academic progress and cultural immersion.
